Humanity, driven to the brink of extinction, finds itself confined within towering walls, barricading them from the relentless onslaught of Titans - colossal and grotesque creatures that feast on human flesh. Amidst this desperate struggle, emerges the Survey Corps, an elite group of soldiers who venture beyond the safety of the walls to confront the enigmatic Titans head-on.

Her exceptional speed, strength, and unwavering loyalty make her an indispensable asset to the team. Mikasa's unwavering determination to protect those she cares about adds a poignant dimension to the narrative.

Armin Arlert: The Strategic Mind
