Kay Scarpetta's 25th Novel Is a Gripping Medical Thriller

Kay Scarpetta, the brilliant forensic pathologist created by Patricia Cornwell, is back in her 25th novel, *Autopsy*. This time, Scarpetta is investigating the murder of a young woman whose body is found in a dumpster. The autopsy reveals that the woman was tortured before she

was killed, and Scarpetta soon realizes that she is dealing with a serial killer.

As Scarpetta investigates the case, she uncovers a web of secrets and lies. The victim, it turns out, was a prostitute who had been working for a powerful man. Scarpetta soon realizes that the man is involved in the woman's murder, and she must race against time to stop him before he kills again.

Autopsy is a gripping medical thriller that will keep you on the edge of your seat. Scarpetta is a fascinating and complex character, and her investigations are always full of suspense and intrigue. If you're a fan of medical thrillers, then you won't want to miss Autopsy.
