- Tennis balls (one for each keychain)
- Seed beads in various colors (orange, white, black, brown, etc.)
- Beading needle

- Beading thread (strong and flexible)
- Scissors
- Jump rings

Creating the Fox Keychain:

Step 1: Preparing the Tennis Ball

Use a sharp knife to carefully cut a small hole in the side of the tennis ball. This will serve as the entry point for your beading thread.

Step 2: Beading the Fox's Face

Thread your needle with orange seed beads and enter the tennis ball through the hole. Form two circles to create the fox's eyes, and then add a

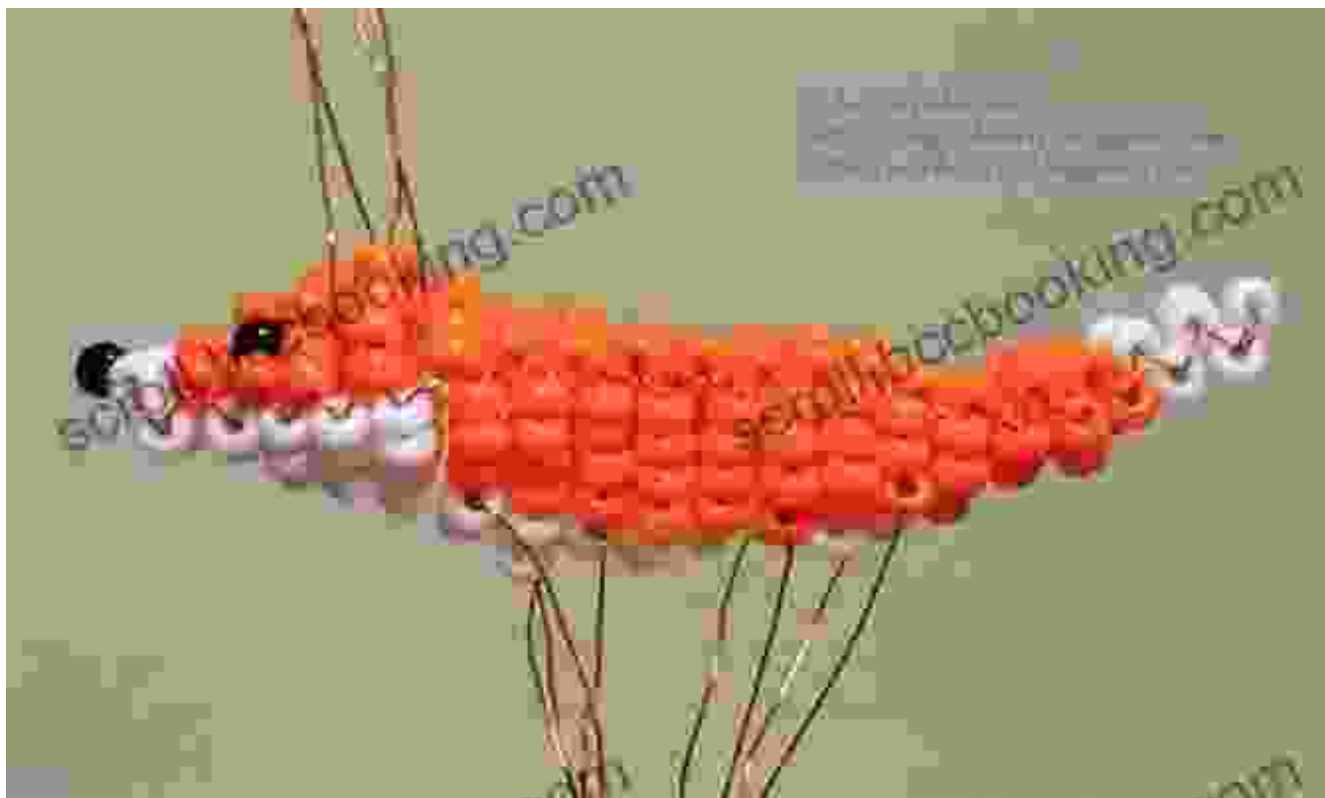

row of black beads below to represent the nose. Use white beads to create the cheeks and a small black bead for the mouth.

Bringing the fox's features to life.

Step 3: Beading the Fox's Ears

Cut two pieces of pipe cleaner and thread them through the tennis ball, above the eyes. Attach the pipe cleaners to form two ears. Bead each ear with orange seed beads, starting from the base and working your way up to the tip.

Step 4: Embellishing the Fox

Add any additional embellishments you desire, such as a tail, whiskers, or a collar. Use different colors and types of beads to create a unique and personalized fox keychain.

Creating the Raccoon Keychain:

Step 1: Preparing the Tennis Ball

Follow the same steps as for the fox keychain to prepare the tennis ball by cutting a hole in the side.

Step 2: Beading the Raccoon's Face

Thread your needle with black seed beads and enter the tennis ball through the hole. Form a circle to create the raccoon's eye. Add a row of white beads below to represent the eye socket. Use pink beads to create the nose.

Crafting the raccoon's distinctive facial features.

Step 3: Beading the Raccoon's Ears

Follow the same steps as for the fox keychain to bead the raccoon's ears with black seed beads.

Step 4: Beading the Raccoon's Mask

Thread your needle with white seed beads and enter the tennis ball above the eye. Bead around the eye socket to create the raccoon's distinctive black mask.

Step 5: Embellishing the Raccoon

Add any additional embellishments you desire, such as a tail, whiskers, or a collar. Use different colors and types of beads to create a unique and adorable raccoon keychain.

Once you're satisfied with your fox and raccoon keychains, attach jump rings to the top of each beadwork and connect them to keychain rings. Your charming animal companions are now complete and ready to adorn your keys or backpacks.
