Lowry starts by explaining the basics of investing, including what it is, why it's important, and how to get started. She then walks readers through the different types of investments, including stocks, bonds, mutual funds, and exchange-traded funds (ETFs). She also provides tips on how to choose the right investments for your goals and risk tolerance.

Lowry also covers the importance of saving for retirement. She explains the different types of retirement accounts, including 401(k)s, IRAs, and Roth IRAs. She also provides tips on how to maximize your retirement savings.

In addition to providing practical advice on investing, Lowry also shares her personal experiences with investing. She talks about the mistakes she's made and the lessons she's learned. She also offers encouragement to young investors who are just starting out.

Broke Millennial Takes On Investing is a valuable resource for young investors looking to get started with investing. Lowry's clear and concise writing style makes it easy to understand the basics of investing. She also provides practical tips and advice that can help young investors reach their financial goals.
