About the Book

In her groundbreaking book, *Claiming Anishinaabe: Decolonizing the Human Spirit*, Dr. Sarah Augustine explores the profound and lasting impact of colonization on the Anishinaabe people. Weaving together personal stories, historical analysis, and Indigenous knowledge, she offers a powerful framework for healing and decolonization.

Dr. Augustine argues that colonization has created a deep wound in the Anishinaabe spirit, leading to a loss of cultural identity, language, spirituality, and self-esteem. She challenges the dominant narrative of history that has marginalized and dehumanized Indigenous peoples, and she calls for a radical transformation of our understanding of Indigenous-settler relations.

Through a process of decolonization, Anishinaabe people can begin to heal from the wounds of colonization and reclaim their cultural identity. Dr. Augustine provides a series of practical tools and exercises to help readers connect with their Anishinaabe heritage, build strong communities, and live a life in balance with the natural world.

Endorsements

“ "Claiming Anishinaabe is a powerful and transformative book that will inspire and empower Anishinaabe people everywhere. Dr. Augustine's insights into the impact of colonization and her vision for decolonization are essential reading for anyone who wants to understand the challenges facing Indigenous peoples today."

—Dr. Winona LaDuke, author of All Our Relations: Native Struggles for Land and Life”

“ "Claiming Anishinaabe is a groundbreaking work that will help to shape the future of Indigenous-settler relations. Dr. Augustine's call for decolonization is both timely and urgent, and her book provides a roadmap for Indigenous peoples to heal from the wounds of the past and build a better future."

—Dr. Glen Coulthard, author of Red Skin, White Masks: Rejecting the Colonial Politics of Recognition”

Author Biography

Dr. Sarah Augustine is an Anishinaabe scholar, writer, and activist. She is a professor in the Department of Indigenous Studies at the University of Manitoba. Her research focuses on the impact of colonization on Indigenous peoples, and she is a leading voice in the movement for Indigenous rights and decolonization.

Dr. Augustine is the author of several books, including Claiming Anishinaabe: Decolonizing the Human Spirit and The Circle Unbroken: Indigenous Truth and Healing.
