The book is divided into three parts. The first part, "Crisis," provides a framework for understanding the different types of crises that organizations can face. The second part, "Change," explores the process of change and how to lead it effectively. The third part, "Leadership," provides guidance on how to be an effective leader during a crisis or period of change.

The book is written by a team of experts with decades of experience in crisis management and leadership. They provide real-world examples and case studies to illustrate the concepts they discuss.

This book is an essential resource for any leader who wants to be prepared for the challenges of crisis and change. It provides a clear and concise roadmap for navigating through difficult times and emerging stronger on the other side.
