Through a series of incisive essays and stunning visuals, renowned scholars in the field of visual culture unravel the multifaceted meanings and interpretations of Northwest Coast Art. Discover the profound symbolism embedded in masks, the soaring presence of totems, and the intricate carvings that adorn everyday objects.

This groundbreaking work bridges the gap between Indigenous knowledge and Western scholarship, shedding new light on the rich cultural heritage of the Northwest Coast. It is an essential resource for art historians, anthropologists, ethnographers, and anyone fascinated by the enigmatic beauty and enduring legacy of Indigenous art.
