The book is written by Mariana Mazzucato, an economist and professor at University College London. Mazzucato argues that the current capitalist system is broken and that we need a new economic model that puts people and the planet first.

The Mission Economy Moonshot Guide To Changing Capitalism offers a comprehensive plan for how to create a more just and sustainable economy. Mazzucato outlines a number of specific policy proposals, including:

- Investing in public goods and services
- Creating a more equitable tax system
- Reforming the financial system
- Promoting sustainable development

Mazzucato's book is a must-read for anyone who is interested in creating a more just and sustainable world. *The Mission Economy Moonshot Guide To Changing Capitalism* provides a clear and concise roadmap for how to achieve this goal.
