Seconds to Midnight is a heart-pounding thriller that will keep you guessing until the very end. Donovan Nash, a brilliant FBI profiler, races against time to stop a madman who is threatening to destroy the world.

Nash is called in to investigate a series of seemingly unrelated murders. But as he digs deeper, he realizes that the victims are all connected to a top-secret government project known as "Project Armageddon." This project has the potential to create a weapon of mass destruction that could wipe out millions of people.

Nash soon learns that the madman behind the murders is a former scientist who worked on Project Armageddon. The scientist has stolen the plans for the weapon and is planning to sell them to the highest bidder. Nash must stop the scientist before he can unleash this deadly weapon on the world.

Seconds to Midnight is a fast-paced, action-packed thriller that will keep you on the edge of your seat from beginning to end. Donovan Nash is a complex and compelling character, and the story is full of twists and turns that will keep you guessing until the very end.
