## Tell England: A Heartbreaking Masterpiece of World War I

Ernest Raymond's 1922 novel, "Tell England," is a powerful and deeply moving story about the horrors and humanity of World War I. Through the poignant story of Mark Sabre, a young man who enlists with his school friends, Raymond explores the devastating impact of war on individuals, families, and nations.

The novel opens with Mark and his friends, all eager to serve their country and prove their manhood. But as they are thrust into the trenches, they quickly learn the harsh realities of war. They witness unspeakable horrors, lose friends and loved ones, and grapple with the moral dilemmas that war presents.

Mark, in particular, is deeply affected by the war. He is haunted by the memories of his fallen comrades and the suffering he has seen. He

questions his own beliefs and values, and struggles to find meaning in the midst of such senseless destruction.

Raymond's writing is both lyrical and unflinching. He captures the beauty of the English countryside, the camaraderie of the soldiers, and the horrors of the trenches with equal skill. His characters are complex and believable, and their experiences are both heartbreaking and inspiring.

"Tell England" is a classic of war literature. It is a novel that will stay with you long after you finish reading it. It is a powerful reminder of the human cost of war, and a testament to the resilience of the human spirit.

#### **About the Author**

Ernest Raymond (1888-1974) was an English novelist and journalist. He is best known for his novels about World War I, including "Tell England" and "The Way Back." Raymond was a skilled writer who captured the experiences of soldiers and civilians during the war with great realism and emotion.
