A Journey of Discovery, Redemption, and the Meaning of Life

““The Turtle and the Universe is a beautifully written and thought-provoking novel that will stay with you long after you finish reading it.” - Booklist”

Synopsis

The Turtle and the Universe is a captivating novel that follows the journey of a young woman named Sarah as she grapples with the complexities of life, the search for meaning, and the profound impact of her choices.

After the sudden death of her beloved grandmother, Sarah is left adrift and questioning everything she thought she knew. She embarks on a transformative journey that takes her from the familiar streets of her hometown to the remote shores of a distant island. Along the way, she encounters a cast of unforgettable characters, including a wise old turtle who becomes her unlikely guide and confidant.

Through her interactions with these characters and her own inner struggles, Sarah begins to unravel the secrets of the universe and her own place within it. She discovers the importance of forgiveness, compassion, and the power of love. And she ultimately learns that the meaning of life is not something that is found but something that is created.
