Urban Apologetics is divided into three parts. The first part provides a historical overview of the urban church and its role in social justice movements. The second part explores the theological foundations of urban

apologetics, arguing that the gospel is the only true source of hope and healing for the urban community. The third part provides practical strategies for engaging in urban apologetics, including how to build relationships with urban residents, how to address the unique challenges of urban ministry, and how to defend the gospel against its critics.

Urban Apologetics is a must-read for anyone who is interested in urban ministry, social justice, or the future of the church. It is a powerful and inspiring book that will challenge you to think deeply about the role of the gospel in the urban context.
