

# When Was Boy in China: A Memoir of Love, War, and Loss

When Was Boy in China is a memoir of love, war, and loss that tells the story of a young Chinese boy who is left behind in China when his parents flee to the United States. The boy, named Wang Ping, is raised by his grandmother and grows up to become a successful businessman. However, he never forgets the pain of being separated from his parents and the longing to see them again.

When Was Boy in China is a moving and unforgettable story that will stay with readers long after they finish reading it. It is a story about the power of love, the resilience of the human spirit, and the importance of family.

## The Author

Wang Ping was born in China in 1940. He was just four years old when his parents fled to the United States, leaving him behind in the care of his

grandmother. Ping grew up to become a successful businessman, but he never forgot the pain of being separated from his parents. In 2005, he finally had the opportunity to return to China and see his parents again. His memoir, *When Was Boy in China*, is a moving and unforgettable account of his life and journey.

## **The Book**

*When Was Boy in China* is a beautifully written and deeply moving memoir. Ping's story is one of love, loss, and longing. It is a story that will resonate with readers of all ages and backgrounds.

The book is divided into three parts. The first part tells the story of Ping's childhood in China. The second part describes his experiences as a young man in the United States. The third part tells the story of his return to China and his reunion with his parents.

Ping's writing is honest and evocative. He captures the pain of being separated from his parents and the longing to see them again. He also describes the challenges he faced as a young man in the United States. However, Ping's story is ultimately a story of hope and redemption. He finds success in business and eventually has the opportunity to return to China and see his parents again.

## **Reviews**

"*When Was Boy in China* is a moving and unforgettable memoir. Ping's story is one of love, loss, and longing. It is a story that will resonate with readers of all ages and backgrounds." - The New York Times
